------------------------	---

Nature of Proposed Construction: (Check All That Apply)

☐ Residential ☐ Commercial ☐ Industrial ☐ Placement of Fill

☐ Alteration of Existing Public Stormwater Drainage System ☐ Other

Description of Proposed Construction:

Permit Certification:

I Certify that I am one of the following:

☐ Owner or lessee of the property on which permit work is to be performed.

☐ Agent of the property owner or lessee for which permit work is to be performed.

☐ Licensed Engineer or Architect employed in connection with the work.

Signature of Applicant: \_\_\_\_\_

Date: \_\_\_\_\_

Affidavit as to easements, dedications and rights-of-way

I \_\_\_\_\_ being duly sworn upon oath, state that I have researched and examined or caused to be researched and examined all recorded documents and instruments relating to said real property, and that all recorded easements, dedications and rights-of-way are known to me and are delineated on the plot plan which is a part of the application for Stormwater Development Permit.

It is understood that issuance of such Stormwater Development Permit does not authorize or permit construction of a permanent structure over or upon any easement, dedication or right-of-way.
